

**NOTICE OF EMERGENCY CHANGES
TO THE UTAH FISHING PROCLAMATION
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH 2018**

I, Mike Fowlks, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2018 Utah Fishing Proclamation. The following has been amended:

KOLOB RESERVOIR (Washington County):

The daily bag and possession limit has been raised to 8 trout, no size restrictions. Additionally, artificial flies and lure restrictions have been lifted (bait fishing is allowed).

Kolob Reservoir will be drained and treated with rotenone this fall to remove illegally introduced yellow perch, bluegill sunfish, and green sunfish, and complete needed repairs and maintenance on the dam.

These changes are effective immediately and will remain in effect until November 1, 2018. All other rules established in the 2018 Utah Fishing Proclamation remain in effect.
